Sir,

In accordance with a notification in the Hindu, calling for applications from doctors for undergoing training in tuberculosis at Calcutta, by the King George Thanksgiving (Anti-tuberculisis fund) Dr.M.Umesh Rao, Medical Officer, L.F. Hospital, Moolky applied direct to the fund to avoid delay and sent a copy of the application to this office with a request that his absence may be treated as on duty or study leave. The matter was placed before the District Board, which resolved in its resolution No.44 dated 21.11.1936, that the absence should be treated as on duty. He was selected for the

P.T.P

A training and was accordingly relieved from the hospital on the afternoon of 26.12.1936 and returned to duty after the course on the forenoon of 6.2.1937.

2. During the absence of the permanent Medical Officer, Dr.K.Shama Shetty, L.M.P.,and a Registered Medical Practitioner, who is the Honorary Medical Officer of the Hospital, was put in charge of the Hospital as per the recommendation of the District Medical Officer, South Kanara.

3. When the Honorary Medical Officer applied for pay at Rs.60/- per mensem-the minimum pay allowed for L.F.Sub-Assistant Surgeons, for the period he was in charge of the Hospital, the question was referred to the Examiner of L.F. Accounts, Madras, as to whether any charge allowance can be paid to him during the period.

4. The Examiner in his letter L.F.No.371 dated 20.4.1937, states that in the absence of special sanction of the Government, the period of absence of Dr.Umesh Rao, cannot be treated as on duty, on the ground that the training in question is not one of the authorised courses mentioned in the Fundamental Rules,2but that there is no objection to his being granted such leave as he may be eligible for the period of absence and that (3) no acting arrangement is possible during holidays in case the Medical Officer, was permitted to avail himself of the holidays. (4) The Examiner in this connection seeks information whether the Honorary Medical Officer, was duly appointed to act in the **vacancy** and whether he is qualified for such appointment & whether his age did not exceed the limit laid down in Government Order No.2795 P.H.,dated 28.10.1935.

M

5. With regard to the observation made by the Examiner, I have to state as follows:-

(1) and (2). The absence of Dr.M.Umesh Rao, was treated as on duty by the District Board and as such I solicit -

orders of the Government whether it should be treated as on duty or he should be granted leave for the period of his absence.

(3) and (4). The Honorary Medical Officer, was ordered to be in charge of the Hospital during the absence of the permanent Medical Officer, and he was actually in charge from 27.12.1936 to 5.2.1937. No special order was issued to him appointing him to act in the vacancy as it was considered that such order was unnecessary as the absence of the permanent Medical Officer, was treated as on duty by the District Board. The permanent Medical Officer was relieved on 26.12.1936 (afternoon).

The Honorary Medical Officer, was appointed to be in charge of the Hospital on two previous occasions when the permanent Medical Officer was on leave, viz, from 10.9.1934 to 31.10.34 and (2) from 27.11.1935 to 11.2.1936. He was also in charge of the Institution on several occasions when the Medical Officer was on casual leave. His services were found to be useful as he was readily available on the spot.

The date of his birth is 23.8.1898 and his age exceeded the limit laid down in Government Order No.2795 P.H.,dated 28.10.35, at the time of his appointment but he had to be appointed for the reason stated above.

6. In the circumstances explained above, I request that the Government may be pleased to issue early orders as requested in para 5 (1) above and to sanction the honorary medical officer's appointment from 27.12.1936 to 5.2.1937 as the acting medical officer of the institution as a special case.

Your obedient servant,

President.

Ref:-Government Memorandum No.1778-D2/37-2- dated 17-2-38.

In the case of Government medical officers, they are formally deputed to undergo the training and the period of deputation of such officers are treated as on duty. On the same analogy the period of absence of Dr.M.Umesh Rao, Local Fund Hospital, Moolky, may be treated as on deputation to Calcutta, to undergo a course of training in Tuberculosis under the auspices of the King George Thanksgiving Fund.

2. The President, District Board has stated in his letter that no special order was issued appointing the Honorary

Medical

Medical Officer to act in the vacancy. It is also observed that he was overaged at the time when he was put in charge of the hospital. Honorary Medical Officers are not paid fo being in charge of an institution during the absence of Medical Officers. There appears to be no special reasons for granting the Honorary Medical officer, the pay applied for.

The enclosures received with the Government Memorandum are herewith returned.

In the case of the precedent at ⓧ there was no extra cost. Why should the hon. officer be given pay and at the same time treat the period of deputation of the other officer duty?

Please see the query of the Asst. Secy on page 2 ante. It is true that in the case of the deputation of Mr. K. S. Vedachalam in the Nilgiris Dt. to undergo training in Tuberculosis in Calcutta, ~~at the~~ no extra cost was incurred ~~in connection with the person put in charge of the medical institution~~. In the South Kanara District to which the present reference relates, it is not known whether the payment of remuneration to the Asst. Med. We may perhaps refer the matter to the P.D.B. of South Kanara and he may be requested to send his reply through the Surgeon General. Draft memo is submitted.

The S.G. recommends that the period of absence of Dr. Umesh Rao, Medical Officer L.F. hospital, Moolky, in connection with his training in Tuberculosis at Calcutta may be treated as duty. His recommendation may be accepted. The concession has already been allowed in certain cases - Vide G.O. 2379 P.H. d/ 18-9-37 & G.O. No 3385 P.H. d/ 4-12-37 (2) (4)

2. The S.G. states that the honorary officer was not eligible for appointment as L.F. medical officer & that there is no justification for allowing him the minimum pay [illegible] for having been in charge of the hospital. The Govt may agree with the S.G.
